

Employee Assistance of the Pacific

Your EAP will help you manage the challenges of supporting an aging loved one or an ill family member of any age

Use Your EAP Benefit for Help with Caregiving

Employee Assistance of the Pacific offers caregiver consultation services through Ho’okele Personal Health Planners to employees and their families. Typical caregiver consultations assist with understanding a new diagnosis, finding specialists, researching insurance coverage, geriatricians, adult day programs, overnight respite care, in-home care agencies, care homes and nursing homes. When needed we discuss end-of-life care planning, and personality or family dynamic issues.

Employees may elect to use up to four sessions of their annual EAP benefit to meet with a Caregiver Consultant from Ho’okele Personal Health Planners by exchanging four EAP sessions for two hours of Caregiver consultations. **To make an appointment, phone Employee Assistance of the Pacific at 597-8222 or Toll-Free at 877-597-8222.**
