Each covered employee is entitled to one (1) thirty-minute in-person or telephone legal consultation at no cost with one of our network attorneys. If you wish to retain a participating attorney after the initial consultation, you will be provided with a preferred rate reduction of 25% from the attorney's normal hourly rate.

We're here to help! Reach out to us by calling us and we'll set you up with a free 30-minute confidential legal consultation for you or your covered family member! And translation services are available!

Note that matters involving disputes or actions between members and their employer are excluded. Also excluded are matters that, in the attorney's opinion, lack merit. Court costs, filing fees, and fines are the responsibility of the member.
